

Christmas Gift Service

The time again is upon us when we need to think of others in our community who are not so well off as ourselves.

Our Gift Service this year will be on 1st December at 10-30am and will be led by our own John Saxton.

As last year we are appealing for good quality second-hand toys and Christmas Fayre.

These gifts will be distributed by Weaver Vale Housing Trust with whom we set up a relationship last year after the problems we had with Cheshire Community Development Trust.

Weaver Vale were extremely grateful for our involvement and are more than happy to maintain our relationship.

They will be sending a representative to the service to give us a clear insight into what it is they do and where our gifts will be most useful.

Your generosity in previous years has been outstanding and I am sure we can make a significant difference to those more needy than ourselves.

Derek
